Note: This translation is provided for information purposes only. In the event of any discrepancy between the translation and the original German version published in the Official Bulletin (*Dienstblatt der Hochschulen des Saarlandes*), the provisions of the latter shall take precedence.

---

Pursuant to Section 59 of the Saarland University Act of 23 June 2004 (Official Gazette of Saarland, p. 1782) as amended by the Act of 14 October 2014 (Official Gazette, p. 406) and pursuant to the Framework Examination Regulations for Bachelor's and Master's Degree Programmes at Saarland University (BMPRO) of 17 June 2015 (Official Bulletin of the Institutions of Higher Education in Saarland, No. 65, p. 474) and with the consent of the University Senate and the University Board, Faculty 6 (Natural Science and Technology Faculty I – Mathematics and Computer Science) at Saarland University hereby issues the following Ordinance to Amend the Joint Examination Regulations for the Bachelor's and Master's degree programmes of Faculty 6 (Natural Science and Technology Faculty I – Mathematics and Computer Science) of 2 July 2015 (Official Bulletin, No. 72, p. 616):

**Section 1**

1. Section 8(7) is amended as follows:

'(7) At least one of the examiners of a Bachelor's or Master's thesis shall belong to one of the professorial groups specified in Subsection (1), items 1 to 7 above.'

2. Section 23(2) is amended as follows:

'(2) Three copies of the Bachelor's or Master's thesis shall be submitted to the Examinations Office. The thesis shall be paginated and shall be produced using a common word-processing system or program. The copies submitted shall be printed and bound. The candidate shall ensure that all copies submitted are legible. The candidate shall also supply an electronic version of his or her Bachelor's/Master's thesis in a common file format and may grant to the University the right to reproduce the dissertation (possibly through conversion into another common file format) and to make it publicly accessible in data networks. The candidate shall give written assurance that the electronic version is identical in content to the printed version of the Bachelor's or Master's thesis. The student can apply to the Examination Board for exemption from the requirement to supply an electronic version of the thesis. The Board can grant such an exemption where reasonable grounds exist. Any electronic appendices of relevance to a submitted thesis (e.g. source code) shall be submitted in a standard form and format.'

## **Section 2**

This amendment shall come into force on the day after it is announced in the Official Bulletin of the Institutions of Higher Education in Saarland (*Dienstblatt der Hochschulen des Saarlandes*).

Saarbrücken, 31 August 2016

President of Saarland University  
Univ.-Prof. Dr. Volker Linneweber
